Welcome to Postgatan!

We serve smapas – Småland-style tapas – small dishes with big personalities. Two to three dishes per person is just right, but we understand how it is when you want to try everything. Here, we share the food, the laughter, and the atmosphere. This is casual dining, our way. We offer a wide selection of wines by the glass or bottle. If you have any allergies, please let us know, even if you don't see your allergen on the menu.

We wish you a wonderful evening!
